

NARFE – PAC
October 21, 2009

I would like to thank our Federation President Joe Staiano for asking me to serve as our NARFE- PAC Committee Chairman. Before I start my report I would like to thank each and everyone of you that sent me either a get well card or and email to wish me success in getting rid of my cancer that I found out that I had right before the this years Federation Convention. I am happy to let everybody know that my doctor on September 1, 2009 told me I am cancer free.

This report covers the first nine months of the 2009-2010 federal election cycle, January 1 – September 30, 2009. During the first 210 days, 161 Georgia NARFE members from 30 chapters contributed \$3,357.00. This represents a chapter participation rate of 66.6%. The number of contributors from each chapter and the amount contributed is shown below. During the last election cycle, all NARFE chapters contributed. It is NARFE's goal that every NARFE member makes a NARFE-PAC contribution and becomes a proud part owner of the *federal employees' and retirees' defense fund*. As we defend our earned retirement benefits in the face of unparalleled economic upheaval and trillion dollar budget deficits, the political stature we have on Capitol Hill, as a result of NARFE-PAC, has rarely been more important. For this reason, every member should give generously to NARFE-PAC in 2009 and 2010.

Chapter presidents, if you would like for me to come to your monthly meeting and give a NARFE – PAC presentation to your chapter please feel free to call me at (229) 883-1353 (HM) or (229) 291-0613 (cell) or you can email at v.halte@mchsi.com.
